

The Federal Communications Commission

Dear The Federal Communications Commission,

Please reject the flat-fee proposal that would change how contributions are made to the Universal Service Fund.

I keep a cell phone in my car for emergencies only, so why should I pay as much to the USF as a non-stop talkier. This is unfair!

I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely,

Barbara Jean Walsh
